About Coalition for Hispanic Family Services & Fair Futures:

The Coalition for Hispanic Family Services (CHFS) is a community-based, family-focused organization of color providing an array of services to children and families in North Brooklyn and Western Queens. For over 30 years CHFS has worked with vulnerable populations that include children in foster care, seriously emotionally disturbed children, as well as youth and families at risk of abuse and neglect. CHFS supports the strengthening of families in communities through the provision of family support, youth development and school-based programs. The provision of accessible, high-quality family support, youth development, child welfare, health and mental health services to these vulnerable populations is central to our holistic approach of strengthening families in a culturally competent manner.

Fair Futures is a **youth-led advocacy movement** and **coalition of 100+ organizations** advocating for all young people in New York City's foster care system to have access to the individualized supports they need to achieve their potential. The Fair Futures model has been implemented at all 26 foster care agencies, including **Coalition for Hispanic Family Services (CHFS)**. The name of CHFS' Fair Futures program is **Los Caminos**.

As a Fair Futures Coach, you will:

- Be **part of this successful, innovative, and collaborative movement** that is **changing the landscape of child welfare**;
- **Join a community** of over 400 Fair Futures mission-driven, passionate professionals across 26 foster care agencies;
- Make an **immediate impact** in the lives of young people by helping them carve out a pathway to success in life as they define it;

- **Receive significant professional development supports** from the Center for Fair Futures, including quality trainings and workshops. Unlimited 1:1 support in any area, 1:1 professional coaching to help YOU with your goals, and access to a learning community for Coaches across all 26 agencies where you can share best practices, challenges, build your network, and be celebrated.

The overall goals of the Fair Futures program model are to help young people:

- Build trusting relationships and a network of positive adult and peer supports;
- Prepare for and graduate from high school;
- Connect to and persist in post-secondary settings;
- Engage in career exploration and career development experiences in line with their interests to help them eventually navigate onto a living wage career pathway;
- Access and maintain stable, affordable housing if they are exiting foster care and gain independent living and life skills.

Coach Position Summary:

Coaches are full-time, trained professionals who are matched with up to 15 young people ages 14 and older in foster care. Coaches meet young people “where they are” and build a trusting relationship with them using an authentic, trauma-informed, strength-based approach. In addition to providing weekly emotional support, Coaches help young people make progress towards their academic, career development, housing/independent living, and other life goals. When a young person is unsure of their goals/interests, Coaches help them explore and expose them to potential opportunities. They then help young people connect to schools, programs, and opportunities in line with their goals/interests, persist in those settings, and plan/prepare for the next step on their journey. Coaches celebrate young people’s progress; if something doesn’t work out, Coaches help young people reflect and connect to the next opportunity.

*We respectfully ask a minimum **1-2 year** commitment to this role, given the importance of young people having consistent, caring adults in their lives, and the significant investment our team will make into supporting and developing Coaches.*

Coach Responsibilities:

- Build relationships with up to 15 young people. Coaches employ creative, out-of-the box approaches to engaging youth and do not give up if they are not responsive.
- Provide weekly, ongoing social/emotional support.
- Build relationships and collaborate with the key adults in the young person’s life to support their goals and well-being, including other agency staff (e.g., Case Planners and Specialists), foster parents, school/program staff, and other significant adult figures.
- Help young people explore their interests and expose them to opportunities in line with their interests;
- Work 1:1 with young people to develop individualized academic and career development goals based on their interests/strengths and take measurable steps towards their goals;

Supports Provided to Fair Futures Coaches:

From day one, you will join our *Fair Futures Training & Learning Academy*.

You will learn:

- The latest techniques in youth engagement
- How to use proven coaching language and skills
- How to navigate the educational, career, and housing systems and resources in NYC
- How to use the Fair Futures goals and steps tracking platform

You will also receive ongoing support to help you become a fully empowered and knowledgeable professional.

This includes:

- 1:1 professional development and empowerment coaching
- 1:1 technical assistance
- Access to an array of voluntary professional development supports
- Membership to our Learning Communities, where you can share best practices, problem-solve with peers, and network with the other foster care agencies.
